

NEW FORD FIESTA PRICELIST

Effective from 28th November 2022

SERIES RANGE

| TREND |
|--|
| 15" 10-spoke structured steel wheel, with Sparkle Silver cover |
| LED headlamps with LED daytime running lights. Integrated fog lamp |
| Body coloured, electrically operated door mirrors with side indicators |
| Quickclear heated windscreen |
| High gloss chrome grille surround |
| Standard suspension |
| Selectable Drive Modes |
| Manual Air Conditioning |
| Ford SYNC with 8" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 6 speakers |
| Cloth trim in Black with metal grey stitching |
| Manual 4-way driver seat adjust |
| Manual 2-way passenger seat adjust |
| Cruise Control inc. Adjustable Speed Limiter |
| Lane-Keeping Aid with Lane-Keeping Assist |
| 4.2" TFT Ice Blue illumination Analogue Cluster with Trip Computer |
| Thatcham Alarm with Power Door Dead Locks |
| Tyre Pressure Monitoring System (TPMS) |
| MyKey |

| TITANIUM (Image shows optional 16" alloy wheels) |
|---|
| 15" 10-spoke structured steel wheel, with Black/Silver cover |
| LED headlamps with LED daytime running lights. Integrated fog lamp |
| Body coloured, electrically operated door mirrors with side indicators |
| Rear Privacy Glass |
| Quickclear heated windscreen |
| High gloss chrome surround with satin grille insert |
| Standard suspension |
| Selectable Drive Modes |
| Manual Air Conditioning |
| Ford SYNC 3 Navigation with 8" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 6 speakers, & FordPass Connect |
| Cloth trim in Black with metal grey stitching |
| Manual 4-way driver seat adjust |
| Manual 2-way passenger seat adjust |
| Keyless Start |
| Cruise Control inc. Adjustable Speed Limiter & Intelligent Speed Assist |
| Rear Parking Sensors |
| Lane-Keeping Aid with Lane-Keeping Assist |
| Traffic Sign Recognition, Auto High Beam & Driver Alert |
| 4.2" Colour TFT Ice Blue illumination Analogue Cluster with Trip Computer |
| Thatcham Alarm with Power Door Dead Locks |
| Tyre Pressure Monitoring System (TPMS) |
| MyKey |

| TITANIUM X (LHD Vehicle shown, 16" wheels shown, not IE Specification) |
|---|
| 17" 10-spoke alloys, with Pearl Grey machined finish |
| LED headlamps with LED daytime running lights. Integrated fog lamp |
| LED Rear Lights |
| Body coloured, electrically operated door mirrors with side indicators |
| Rear Privacy Glass |
| Quickclear heated windscreen |
| High gloss chrome surround with satin grille insert |
| Standard suspension |
| Selectable Drive Modes |
| Electronic Automatic Temperature Control (EATC) |
| Ford SYNC 3 Navigation with 8" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 6 speakers, & FordPass Connect |
| Premium seat with Partial Sensico® with metal grey stitching |
| Manual 4-way driver seat adjust |
| Manual 4-way passenger seat adjust |
| Heated front seats and steering wheel |
| Keyless Entry and Keyless Start |
| Rear View Camera |
| Cruise Control inc. Adjustable Speed Limiter & Intelligent Speed Assist |
| Rear Parking Sensors |
| Lane-Keeping Aid with Lane-Keeping Assist |
| Traffic Sign Recognition, Auto High Beam & Driver Alert |
| 12.3" Full Digital Cluster |
| Thatcham Alarm with Power Door Dead Locks |
| Tyre Pressure Monitoring System (TPMS) |
| MyKey |

| ACTIVE |
|---|
| 17" 5-spoke alloys, with Rough Metal machined finish |
| LED headlamps with LED daytime running lights. Integrated fog lamp |
| Body coloured, electrically operated door mirrors with side indicators |
| Rear Privacy Glass |
| Quickclear heated windscreen |
| Rugged bodystyling kit with Active front wing badges |
| Rough road suspension with increased ride height |
| Selectable Drive Modes |
| Manual Air Conditioning |
| Ford SYNC 3 Navigation with 8" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 6 speakers, & FordPass Connect |
| Cloth trim in Black/Nordic Blue with dark blue stitching |
| Manual 4-way driver seat adjust |
| Manual 2-way passenger seat adjust |
| Keyless Start |
| Cruise Control inc. Adjustable Speed Limiter & Intelligent Speed Assist |
| Rear Parking Sensors |
| Lane-Keeping Aid with Lane-Keeping Assist |
| Traffic Sign Recognition, Auto High Beam & Driver Alert |
| 4.2" Colour TFT Ice Blue illumination Analogue Cluster with Trip Computer |
| Thatcham Alarm with Power Door Dead Locks |
| Tyre Pressure Monitoring System (TPMS) |
| MyKey |

| ACTIVE X (LHD Vehicle shown, 17" wheels shown, not IE Specification) |
|---|
| 18" 5x2-spoke alloys, with bi-colour Black machined finish |
| LED headlamps with LED daytime running lights. Integrated fog lamp |
| LED Rear Lights |
| Body coloured, electrically operated door mirrors with side indicators |
| Rear Privacy Glass |
| Quickclear heated windscreen |
| Rugged bodystyling kit with Active front wing badges |
| Rough road suspension with increased ride height |
| Selectable Drive Modes |

ELECTRIC TECHNOLOGY

Which electric engine is right for you?

MILD HYBRID (MHEV)

A small electric motor that helps improve efficiency versus a conventional internal combustion engine. Mild Hybrid vehicles have two sources of power that work together – a conventional engine and a battery-driven electric motor. The electric motor does not power the car. It simply assists it.

HYBRID (FHEV)

Hybrid vehicles have two sources of power. They can automatically switch between conventional mode, pure electric mode (for short distances) or use both to power the vehicle as needed.

PLUG-IN HYBRID (PHEV)

Plug in. Charge up. Improves Efficiency versus a mild hybrid or hybrid engine. Plug-in Hybrids have the two sources of power like a hybrid, but with a larger high voltage battery, enabling you to drive longer distances on all-electric power.

Charging the battery

MILD HYBRID AND HYBRID

There's no need to plug in your vehicle for charging. Hybrid vehicles are able to recharge the battery in two ways:

- 1) Regenerative braking
- 2) Conventional engine

The conventional engine powers the generator which transforms mechanical energy into electrical energy to charge the battery.

All four electric vehicle types use regenerative braking to charge the battery. While braking, the motor is still spinning even though the car is trying to slow down.

Regenerative braking captures this typically wasted energy to create electricity, which charges the battery.

PLUG-IN HYBRID

The larger battery in Plug-in Hybrids can be plugged-in to charge. Once the battery is depleted, the vehicle behaves like a conventional hybrid with the engine running when required.

Electric range

* Ranges are estimates only and depend on the vehicle, road conditions and driving behaviour.

Plug in charging options

230V Wall outlet

Plug-in Hybrids and All-Electric vehicles can be charged on a 230V outlet (16A), which is the standard electrical socket in most UK households. This takes approximately 6 hours to charge the battery.

Wall box

For faster charging at home you can install a compatible wall box, which is capable of charging your vehicle in approximately 3.5 hours.

Available as an accessory

PHEV Home Wall box

Fully installed EV Box 400V (32A) is available as an accessory.

Public charging stations

Public charging stations, available in many cities and work places. The price and charging capability vary.

FUEL CONSUMPTION

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO2 figures shown are derived from the new WLTP test.

This will produce more accurate figures which most likely will be greater than those arrived at using the NEDC test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax is now based on these WLTP figures from 1st January 2021. Understanding fuel data: The table below shows the fuel consumption (WLTP) and CO2 emissions (WLTP) for each available engine when fitted on a standard specification vehicle (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO2 emissions. Please speak to your Ford Dealer for more information.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.ie/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

| Engine | Fuel Type | Available On | Euro Emissions | Transmission | Drive | Maximum Power PS (KW) | Torque Nm | Fuel Consumption (WLTP) | | | | Co2 Emissions (WLTP) | | |
|--------------------------|-----------|------------------------------|----------------|--------------------|-------|-----------------------|-----------|--------------------------------------|---------------------------------------|--|---|--------------------------------------|---------------------------------------|---|

Notes

^oFord test figures.

^{oo} The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and fully replaced the NEDC by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under www.seai.ie.

FORD PROTECT - Fiesta

Every new Ford car is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and IRL and throughout Europe.

Effective from 1st September 2020

Ford Protect Classic 4th/5th Year Extended Warranties

If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

You can also upgrade to a Ford Protect Service Plan giving you the option of scheduled services and extended Ford Assistance.

Features:

- **Scheduled Servicing:** covers scheduled servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan. The Mandatory Annual Inspection, if applicable to your vehicle and replacement brakefluid (every other year)
- **Extended Ford Assistance:** roadside assistance in the UK and throughout Europe
- **Vehicle Hire:** for up to 7 days
- The Ford Protect Service Plan can be purchased any time before the first service is due

Ford Protect Service Plan Plus (High Mileage Users Only)

You may choose to upgrade to a Ford Protect Service Plan Plus giving you the benefits of the Service Plan and also includes a Wear and Tear Plan.

Features:

- All items covered within the Service Plan and in addition: Brake Pads/shoes/discs; Clutch friction plate; Shock absorbers; Silencers; Wiper Blades; Bulbs
- **Exclusions:** Tyres; Interior trims; glass, seat covers; pads; frames; springs; headrests, seat belts; sheet metals, water ingress, body seals and aerals. Bodywork and paint check and Air conditioning check.
- Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Notes and Conditions

- The length of your plan (and number of services on Service Plan and Service Plan Plus) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if your decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.ie

¹ Each vehicle needs to be checked for compatibility

² Excludes tyre, centre cap, wheel nuts, valve & fitment

³ Item is non-Ford branded from an approved supplier

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.ie

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitment of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

VRT Category A (EU Classification M1)

Most cars fit into category A and minibuses carrying no more than 8 passengers and driver. VRT is charged based on the CO₂ emissions of the vehicle when it was manufactured. The VRT rates are as follows:

| Effective from 1st January 2022 | CO ₂ Emissions (g/km) * | VRT Rate € | |
|---------------------------------|------------------------------------|------------|--------|
| 1 | 0 | 50 | 7.00% |
| 2 | 51 | 80 | 9.00% |
| 3 | 81 | 85 | 9.75% |
| 4 | 86 | 90 | 10.50% |
| 5 | 91 | 95 | 11.25% |
| 6 | 96 | 100 | 12.00% |
| 7 | 101 | 105 | 12.75% |
| 8 | 106 | 110 | 13.50% |
| 9 | 111 | 115 | 15.25% |
| 10 | 116 | 120 | 16.00% |
| 11 | 121 | 125 | 16.75% |
| 12 | 126 | 130 | 17.50% |
| 13 | 131 | 135 | 19.25% |
| 14 | 136 | 140 | 20.00% |
| 15 | 141 | 145 | 21.50% |
| 16 | 146 | 150 | 25.00% |
| 17 | 151 | 155 | 27.50% |
| 18 | 156 | 170 | 30.00% |
| 19 | 171 | 190 | 35.00% |
| 20 | 191 | 500 | 41.00% |

Nitrogen Oxide (NOx) Emission Levy

| NOx (mg/km) * | Amount payable per mg/km (€) |
|--|------------------------------|
| The first 0-40 mg/km | 5.00 |
| The next 40 mg/km or part thereof up to 80 mg/km | 15.00 |
| The remainder above 80 mg/km | 25.00 |
| Diesel cap | 4850.00 |
| Petrol cap | 600.00 |

NOTE: The NOx levy is applied to all VRT category A vehicles (passenger and SUVs). This means an increase in VRT for older imported cars with these charges based on a NOx (Nitrogen Oxide) sliding scale on passenger cars.

This NOx Levy replaced the 1% VRT Levy on diesel cars, and has been applied to all new or imported cars from January 1st, 2020.

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Henry Ford & Son Limited is not liable for changes in price caused by Government changes in tax rates, tariffs, customs, Government incentives/grants or changes in other applicable legislation.

VAT

VAT is shown calculated at 23%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road (OTR) prices and Recommended Retail Prices (RRP), please contact your Ford dealer for final sale prices.

This price list is effective from 28th November 2022 and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint. Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
