

MAZDA CX-80

PRICES & SPECIFICATIONS

This image is showing the All-New Mazda CX-80 in Artisan red

THE ALL-NEW MAZDA CX-80

The All-new Mazda CX-80 is our latest and most spacious three-row SUV, offering up to seven seats. Roomy and versatile, every element has been carefully crafted to make the most of every journey – whether you're travelling with the family or just out for an adventure. Inside our new European flagship, our designers followed the Japanese philosophy of Ma, which uses the beauty of empty space to create a sense of calm, something every driver and passenger will experience in our new flagship. Carefully curated materials like real maple wood, Nappa leather and chrome are combined in perfect harmony to create a unique oasis for all your senses. When designing the exterior of the Mazda CX-80 – using our unique Kodo design language that reflects the beauty and dynamics of the vehicle's surroundings – our vision was to create a car that had Graceful Toughness. On the road, it comes equipped with a range of drive modes and features that deliver an unrivalled driving experience – no matter the weather. Powered by a selection of engines that offer the perfect balance of performance and efficiency, you'll love the highly responsive driving dynamics every time you hit the road.

CRAFTED IN JAPAN

Displacement (ccm)	2.488	3.283
Bore x Stroke (mm x mm)	89 x 100	86 x 94.2
Compression Ratio	13.0	15.2
Performance (kW (HP) / U/min.) - System Output	241 (327) / 6.000	-
Maximum Output (Engine Power) (kW/rpm)	141/6.000	-
Engine (kW (HP) / U/min)	141 (192) / 6.000	187 (254) / 3.750
Electric Engine (kW (HP)	129 (175)	-
Battery Capacity (kWh)	17.8	-
Maximum Torque (Nm/rpm)	500/4.000	550/1.500-2.400
Fuel Tank Capacity (L)	70	74

Performance

Top Speed (km/h)	195	219
Acceleration (0 - 100 km/h) (s)	6.8	8.4

Fuel Consumption (L/100 km) - WLTP

Combined	1.6	5,7-5,8
----------	-----	---------

CO₂ Emissions (g/km) - WLTP

Combined	35-36	148-151
----------	-------	---------

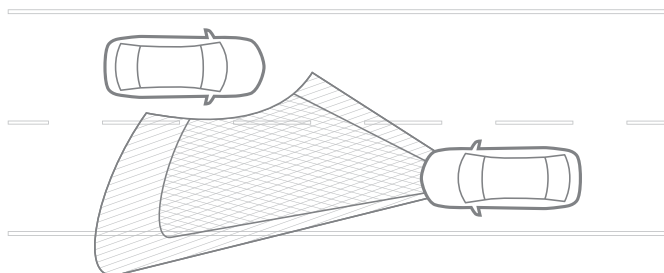

Cargo Volume

Cargo volume -VDA (Seats (1 st : up / 2 nd : up / 3 rd : up) up to rear package tray or seatback including underfloor storage space)(L)	258	258
Cargo volume -VDA (seats (1 st : up / 2 nd : up / 3 rd : down) up to rear package tray or seatback including underfloor storage space)(L)	566(2 nd RrMost) 687(2 nd FrMost)	566(2 nd RrMost) 687(2 nd FrMost)
Cargo volume -VDA (Seats (1 st : up / 2 nd : down / 3 rd : down) up to rear package tray or seatback including underfloor storage space)(L)	1.221	1.221
Cargo volume -VDA (Seats (1 st : up / 2 nd : down / 3 rd : down) up to ceiling including underfloor storage space)(L)	1.971	1.971

ADVANCED SAFETY TECHNOLOGY

ADAPTIVE LED HEADLIGHTS

Mazda's Adaptive LED Headlights provide the ultimate in headlight technology, lighting up the road ahead as if it were daytime and allowing anybody to enjoy safe and stress-free driving at any time. The system increases visibility at night to help drivers stay vigilant by combining four technologies: Wide-range Low Beams which light up a wider area at low speeds, Marking light which brightly illuminates pedestrians that may collide with the vehicle, Highway mode which helps you see further when travelling at speed, and Glare-free High Beams which automatically dim part of the illuminated area to avoid dazzling other drivers.

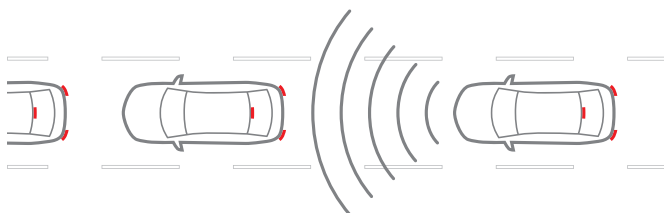

(Optional on all grades as part of the Driver Assistance pack)

MAZDA RADAR CRUISE CONTROL

To activate, the driver sets a maximum speed (just as with cruise control) and size of the gap to maintain. The radar watches for traffic ahead and once the system senses a vehicle in front, the car will slow down and speed up automatically maintaining the drivers pre-set distance. The system also features 'Stop & Go' function, meaning the vehicle will automatically accelerate and brake in start/stop traffic with minimal input from the driver.

(Optional on all grades as part of the Driver Assistance pack)

SMART BRAKE SUPPORT – FRONT WITH TURN-ACROSS TRAFFIC

SBS alerts the driver of a possible collision using the warning indications in the display, and a warning sound if the front radar sensor and Forward Sensing Camera determine that there is the possibility of a collision with a vehicle, pedestrian, or a bicycle ahead. Furthermore, if a collision is unavoidable, the automatic brake control is performed to reduce damage in the event of a collision. In addition, when the driver depresses the brake pedal, the brakes are applied firmly and quickly to assist. The Turn-Across Traffic function is designed to assist the driver in avoiding a collision (or reducing the impact) with a vehicle approaching in the opposite direction when making a turn at a junction.

(Standard across the range)

MAZDA SERVICES

MAZDA WARRANTY

At Mazda, quality is a promise that we live up to. That's why we're extending our New Vehicle Warranty to 6 years – or 150,000 kilometres. Knowing you're fully protected against the unexpected, you'll be able to focus on the driving pleasure even more.

MAZDA FINANCE - PCP FINANCE WITH MAZDA CHOICES

Owning a Mazda is now even easier with Mazda Choices. Purchasing a new car in the current market environment can be complex but at Mazda, we appreciate that everyone's requirements are different. That's why we have introduced Mazda Choices which offers you a tailored solution to meet your individual needs and most importantly, takes the stress out of owning your new Mazda
